

## Gina M. Rumore

1400 Kilmer Ave.  
St. Louis Park, MN 55426  
(612) 987-4462  
grumore@umn.edu

Minnesota Population Center  
University of Minnesota  
50 Willey Hall  
225 19<sup>th</sup> Ave S  
Minneapolis, MN 55455

### Education:

*University of Minnesota*, Minneapolis, Minnesota, 2003-2009

- PhD in History of Science and Technology
- Graduate minor in Conservation Biology
- Dissertation: "A Natural Laboratory, A National Monument: Carving out a Place for Science in Glacier Bay, Alaska, 1879-1959."

*Johns Hopkins University*, Baltimore, Maryland, 2001-2002

- M.A. in Nonfiction Writing
- Thesis: "A Call to the Wild"

*Montana State University*, Bozeman, Montana, 1998-2000

- B.S. in Biological Sciences, with highest honors

*University of Puget Sound*, Tacoma, Washington, 1996-1997

### Grants and Fellowships:

*Post-Doctoral Research Grant*, National Science Foundation, Long-Term Ecological Research Network, 2009-2011.

*Morgan and Jeannie Sherwood Travel Grant*, American Society for Environmental History, 2009.

*Doctoral Dissertation Fellowship*, University of Minnesota Graduate School, 2007-2008.

*National Science Foundation Graduate Student Travel Grant*, History of Science Society, 2007.

*Dissertation Improvement Grant*, National Science Foundation, 2006-2007.

*Thesis Research Grant*, University of Minnesota, 2006.

*Research Travel Grant*, History of Science and Technology, University of Minnesota, 2006.

*Graduate School Fellowship*, University of Minnesota, 2003-2004.

### Awards

*Rachel Carson Prize for Best Dissertation in Environmental History*, American Society for Environmental History, 2010.

*Layton Teaching Assistant Award*, History of Science and Technology, University of Minnesota, 2006.

## **Teaching Experience:**

*Lecturer*, University of Minnesota, History of Science and Technology

- History of Ecology and Environmentalism, Summer 2012, Fall 2010
- Senior Research Topics in the History of Medicine, Spring 2012
- Science in American Culture, Fall 2011
- Revolutions in Science: Lavoisier, Darwin and Einstein, Summer 2009

*Writing Consultant*, University of Minnesota, Center for Writing

- Student Writing Services, 2008-2009

*Teaching Assistant*, University of Minnesota, Center for Writing

- Program for Teaching with Writing, 2006-2009

*Graduate Instructor*, University of Minnesota, Honors – College of Liberal Arts

- Introduction to the Arts and Sciences, Fall 2006

*Teaching Assistant*, University of Minnesota, History of Science and Technology

- The Darwinian Revolution, Spring 2006
- Twentieth Century American Science and Technology, Fall 2005
- Technology in Western Civilization to 1750, Spring 2005
- Technology in Western Civilization 1750 to the Present, Fall 2004

*Adjunct Instructor*, Carroll Community College, Westminster, MD, English

- Introduction to Composition, 2002-2003

*Teaching Assistant*, Johns Hopkins University, Mechanical Engineering

- Graded scientific papers and essays for senior and freshman mechanical engineering courses, 2001-2002.

## **Presentations**

“Carving out a Place for Ecology: Long-Term Ecological Studies in Glacier Bay, Alaska,” Ecological Society of America Annual Meeting, August 2013.

“From Skirts to Breeches: Uncovering the Challenges Face by Women Ecologists in 20<sup>th</sup> Century America,” Practicing Science, Engaging Publics: A Conference in Honor of Historian Sally Gregory Kohlstedt, April 2013.

Chair and Commentator, “Biologists and Historians: Exploring the Potential of Collaborative Research in Evolutionary Biology, Ecology, Biomedicine and Beyond,” Columbia History Science Group, March 2012.

“Ecology and Environmental History: Integrating the Social Sciences and Humanities into the Long-Term Ecological Research Network,” American Society for Environmental History, March 2012.

“Capturing Time and Space: The National Science Foundation’s Long-Term Ecological Research Network,” American Society for Environmental History, April 2011.

- “From ‘network’ to ‘Network:’ The National Science Foundation and Long-Term Ecological Research, 1980-2010,” Columbia History of Science Group, March 2011.
- “A Monumental Study: William Skinner Cooper’s Long-Term Ecological Research in Glacier Bay, Alaska, 1916-1935,” American Society for Environmental History, March 2009.
- “Preservation for Science: The Ecological Society of America, Political Activism, and Ecological Methodology, 1917-1940,” Columbia History of Science Group, March 2008.
- “Of Ice and Men: A Historical Geography of Science in Glacier Bay, Alaska.” History of Science Society, November 2007.
- “In the Name of Science: The Ecological Society of America and the Fight to Preserve Glacier Bay, Alaska.” Midwest Junto Annual Meeting, April 2006.
- “A Natural Laboratory, A National Monument: Carving out Glaciology and Glacial Ecology in Glacier Bay, Alaska.” History of Science Society, November 2005.
- “The Succession of 20th Century American Ecology: William Skinner Cooper and Continuity within the Discipline of Ecology.” Columbia History of Science Group, March 2005.

### **Publications**

- Rumore, Gina. Review of *Uncertain Path: A Search for the Future of National Parks*, by William C. Tweed. *Journal of the History of Biology* 46 (2013): 163-165.
- Rumore, Gina. “Preservation for Science: The Ecological Society of America and the Campaign for Glacier Bay National Monument.” *Journal of the History of Biology* 45 (2012): 613-650.
- Rumore, Gina. Review of *The Oyster Question: Scientists, Watermen, and the Maryland Chesapeake Bay since 1880*, by Christine Keiner. *Journal of the History of Biology* 43 (2010): 407-409.
- Rumore, Gina. “Dr. Cynthia Beall and the Science of Human Adaptability.” *News and Views: Newsletter to the Forum for the History of Science in America* 27.2 (2011): 1-4.
- Rumore, Gina. “Ecology and the Roots of Ecological Thought,” in *Scientific Thought: In Context*, vol. 1. Edited by Brenda Lerner and K. Lee Lerner. Detroit: Gale, 2009.
- Rumore, Gina. “A Baby Rhino Means Hope in Zimbabwe,” *The Baltimore Sun*, 11 May 2003, 3R. (Adapted from my M.A. thesis.)

### **Academic Activities**

- Secretary-Treasurer*, Forum for History of Science in America, 2006 – 2012
- Co-Chair*, Graduate and Early Career Caucus to the History of Science Society, 2009-2011
- Committee Member*, Rachel Carson Prize for Best Dissertation in Environmental History, 2011
- Graduate Coordinator*, Women in the Institute of Technology Program, 2006-2007
- Graduate Student Liaison*, University of Minnesota, Program in the History of Science and Technology, 2006-2007.
